Bragg:

Marge Bishop, Edison and Promise Competed again in the X-Treme Air Dogs competition at the Oregon State Fair. The first round started out w fairly short jumps, but there seemed to be a sibling rivalry brewing, This is how it went for the first week, keep in mind that Edison is coming back from a 2 year layoff, due to spinal injury. Starting Out:

Edison Jumped 13, then 14 in Amateur; Promise jumped 15.9, then 14.8 in Semi-Pro

Edison then Jumped 11.3, then 11.3 again; Promise jumped 13.2, then 14.8

Edison came back w 13.8, the 17.8; Promise jumped 13.8. then 14.8

Edison came back w 15.3, then 16.7, bumping him into Semi-Pro; Promise countered w 18.1

Both qualified for the finals of week one.

Edison jumped 17.3 and Promise countered w 18.1

Promise place 3rd and Edison 6th place. So was a pretty good week at the State Fair Dock Diving Competition

General Interest

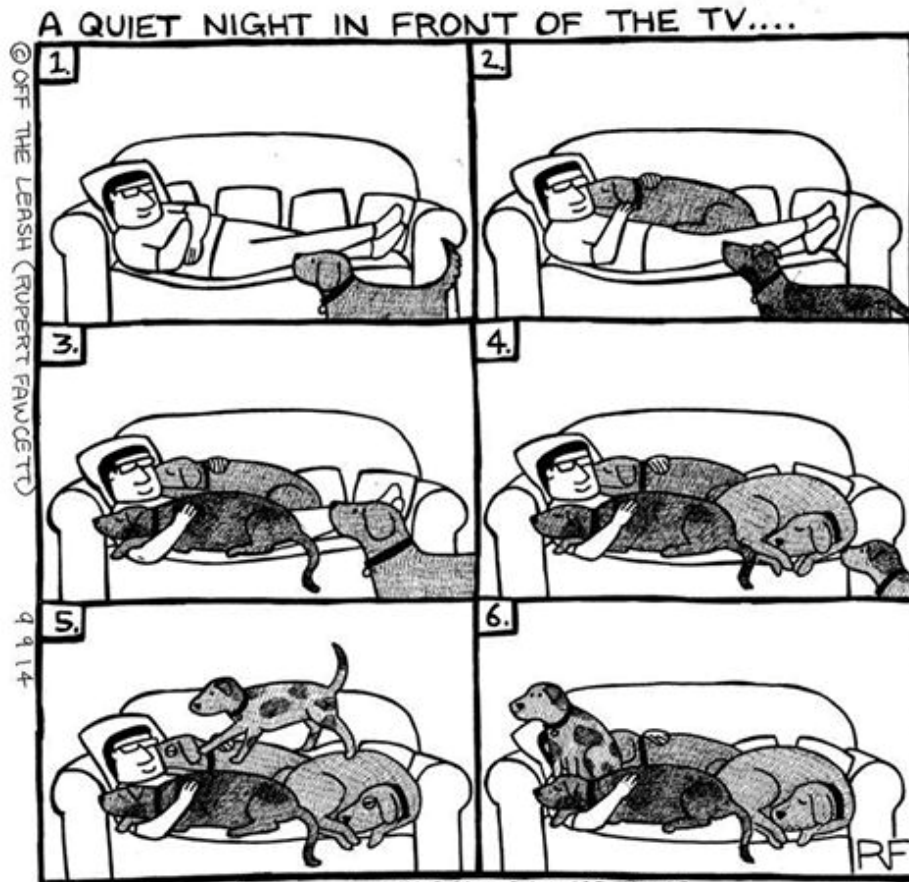

How Pets Can Advance New Drug Development for Humans ???

Translational research studies in pets can serve as a useful bridge between traditional animal models and human clinical trials.
